Subject: Rolling Knolls Fall 2014 Sampling Event
Date: Wednesday, November 05, 2014 11:42:39 AM

Hello Damon,

As previously requested, EPA is providing notice that the PRPs for Rolling Knolls Landfill PRP Group will be conducting field sampling November 17, 2014 through December 20, 2014. This is the proposed timeline but, it could be extended due to weather conditions, sampling issues, etc. EPA and it's representatives will also be on-site to provide oversight and to collect split samples.

Should you have any questions or concerns regarding this email please feel free to contact me at 212 637-4362.

Regards,
Tanya
